New Publicity Drive Brings Quick Results

Many Inquiries Coming In as Result of City's Advertising Campaign

Hotel and apartment house owners, members of the Palm Springs chamber of commerce, this week were receiving type-written lists of prospective winter vacationists, seeking information about accommodations, rates and reservations.

During the past 30 days, 348 individuals and families have written the chamber of commerce seeking information about Palm Springs with the thought of vacationing here. Earl O'Day, manager of the chamber is having these inquiries typed on long lists and distributed to hotels holding memberships.

THE INTEREST in Palm Springs at this time of the year is the result of an intensive advertising program made possible when Village voters authorized city council to earmark \$24,000 for publicity and advertising of Palm Springs with out of town newspapers and periodicals. Following the action of the voters, council appointed the chamber of commerce to implement the program.

Advertisements have already appeared in Sunset magazine for a number of months and in the journal of the American Medical Association. The autumn issue of Pictorial California also carries Palm Springs publicity.

THE FACT that Palm Springs enjoys a delightful weather in early fall and spring is also emphasized, urging vacationists to visit the Village during May and in early fall.

The firm of Anderson and McConnell is placing the advertisements for the chamber of commerce with publications.

City Prepares New Torney Bid

Applications for acquisition of 10 acres of Torney General hospital to be used as a park were being prepared this week by the city. City Manager William E. Alworth said.

The documents will be forwarded to War Assets Administration just as soon as prepared.

New Broom Does Job

"A new broom sweeps clean" and that's what happened yesterday when the new automatic street sweeper recently delivered to the city was used. The machinery will reduce the cost of sweeping Palm Springs streets materially.

The weather, it makes me foolish. Turns hot as I hate it's coolish

Ever since I've been down here I've had trouble with the weather. I've talked about and even tried to do something about it. No soap. My Goose Pimple idea hit a snag last Tuesday. With proper poetic license, I said "today" when it was really three days before that I spotted that first sure sign of colder weather. That's what I get for being ambitious. A lot of fellows who earn a precarious living setting down a lot of words to support a so-called column have three or four of them written up in advance so that, if the occasion arises, they can go fishing or risk the week's grocery bill on the front end of a horse. It seemed like a good idea so I set down that plan for Goose Pimple Day on a Friday when it was cold. Then on Tuesday when it appeared in print it was unseasonably warm. It used to be that the chamber of commerce asked me not to mention glorious days when they fell in that category. "Every time you do, it turns terrible," they said.

YOU'VE HEARD of carrying coals to Newcastle? Well, this is in reverse. Joe and Webb of Jud Osborne's service station went to Indio the other night. And coming back they ran out of gasoline. Jack Rose had to push them to a rival concern's station to buy gasoline. And Harry Brott, who says he sells lots of shaving cream, went with whiskers for three days once because he forgot to tube the show-cases to take a rifle home. And I've known many bankers who said they were broke when it came time to pick up the check. And a grocer's wife had to run to the

Highway Budget Earmarks \$40,000 for Work in Village

Congressmen To be Guests Here Sunday

Group on Colorado River Water Tour To Stop in Village

Congressmen representing ten southern California districts will be overnight guests at the Desert Inn Sunday and will be entertained by the chamber of commerce.

The group, including prominent personages from all over the southland, have scheduled Palm Springs as a stop on an inspection tour of southern California's water supply under the sponsorship of the Colorado River Associates of Los Angeles.

CONGRESSMEN in the group will include Willis W. Bradley, Long Beach; Charles K. Fletcher, San Diego; Carl Hinchey, Glendale; Chet Holifield, east Los Angeles; Donald L. Jackson, Santa Monica; Gordon L. McDonough, Los Angeles; Richard Nixon, Whittier; John Phillips, Banning; Norris Poulson, Hollywood and Harry R. Sheppard, San Bernardino.

Special arrangements are being made to house the congressmen and those accompanying them at the Desert Inn, which does not formally open until October 15.

FRANK BOGERT, manager of Thunderbird Ranch, chairman in charge of reception and arrangements, announced that a barbecued-rib dinner will be held for the law-makers on the massive course of the Desert Inn. He will be assisted by City Manager William Alworth, Stanley Rosin, Elmo Purnell, Phil Delano and Earl Strebe.

The inspection trip will start in Los Angeles tomorrow morning when the group will board a bus for Boulder City and an inspection of Hoover Dam. They will then travel down the Colorado river to Davis Dam and arrive in Palm Springs Sunday at 7 p. m.

Monday morning at 9 the delegation will leave Palm Springs for a tour of Coachella Valley as far as El Centro. An inspection of Imperial Valley and the All-American canal will follow.

The next stop of the group will be San Diego where they will visit naval installations at Sweetwater and El Capitan reservoir. The marine base at Pendleton will also see the group before return to Los Angeles.

Palm Canyon Drive Listed In Projects

Budget for 1949-50 Carries Funds for Resurfacing of Street

Palm Springs will benefit to a great extent, directly and indirectly in a \$4,212,000 highway development program in Riverside county in the 1949-50 fiscal year it was indicated today following a meeting at Riverside attended by E. Q. Sullivan, district highway engineer.

Of the money earmarked by the state public works department for roads in Riverside county and affecting the county, \$320,000 has been set aside for right-of-way purchases for realignments.

MAJOR ITEM of importance to the Village is the budgeting of \$40,000 for surfacing Palm Canyon drive from the north limits to a point 3.2 miles south of the city.

Engineer Sullivan said all of the projects earmarked for the 1949-50 budget can legally be started in April, next year, and all of them would be finished by June 30, 1950.

OTHER HIGHWAYS of importance to local motorists included in the big budget for the county include the converting of Highway 99 from Beaumont to a point 2.3 miles east of Redlands into a four-lane limited access freeway. Set aside for this project is the sum of \$1,904,000.

Hopes of the Village that Highway 99 would soon be converted into a four-lane road all of the way from the junction to Indio and thus relieve Palm Canyon drive of through traffic dimmed. The 1949-50 budget contains no provision for this but does carry a \$269,000 item for repaving portions of a 13-mile stretch of 99 from Garnet to Indio in its present two-lane capacity.

OTHER DESERT ROADS, especially Highway 60, east from Indio, are allocated large sums for needed improvements.

Sullivan called attention to the fact that other projects may still be added for the fiscal year. During the current fiscal year, highway work in the county will be almost double the amount allocated, he said.

County Planners at California Convention

Members of the Riverside county planning commission were today en route to Dunsmuir, California to attend the annual convention of the California planning commission.

Making the trip were A. C. Fulmore, commission chairman and commissioners F. E. Lucking, Ferris-Elnorine, Fred McCall, Romoland-Mentee area and Douglas Black, the board's technician.

Enlistments Delay First Draft Call

First inductions under the new draft act may not take place until Nov. 1, according to word from Maj. Gen. Lewis B. Hershey, selective service head.

Gen. Hershey said that enlistments had picked up so much that the first draft call will be delayed.

Loses Hope for Cash But Would Like Purse

Hugh Daniel, Beverly Hills, guest at the El Dorado hotel, has reported the loss of his pocketbook containing \$200.

He told police that he did not expect the return of the money but was desirous of obtaining valuable personal papers the pocketbook contained.

SOMETHING NEW—Mary Dickey and Norma Roberson officiate as the S. P. changes the name of its depot. Edom comes down and Thousand Palms goes up. (Harry Oliver Service.)

Edom Station Bows Out as Thousand Palms Comes in

Edom is no more—Thousand Palms is.

That is, according to the Southern Pacific and boosters of the Thousand Palms area, eight miles eastward out Ramon road.

This week H. R. Genrich, superintendent, U. F. Frizzell, freight traffic manager, and George Hanson, passenger traffic manager of the Southern Pacific visited the community where Ramon road crosses Highway 99 and officially watched while the depot sign, "Edom," came down and the new sign "Thousand Palms" went up.

Mary Dickey and Norma Roberson of Thousand Palms, officiated at the sign changing. They didn't do the actually manual labor but lent color by posing with the sign.

Following that there was a Thousand Palms chamber of commerce banquet at Charley Doyle's Hidden Springs ranch at which speeches extolled the virtues of the resort and its position as the hub of the rapidly growing desert resort country.

Chamber of Commerce Praises Western Week

Los Compadres riding club received a pat on the back this week from the Palm Springs chamber of commerce.

Executive committee of the board of directors unanimously voted the organization the accolade of good citizenship and gave it its blessings to the fifth annual Western Week. Los Compadres plans to stage, October 29 to 31.

TAKING THE FORM of a proclamation the chamber of commerce pointed out that the Los Compadres are a highly civic-minded organization and have accomplished much for Palm Springs.

To assure success of the event directors urged that all aid possible be given by civic organizations and businessmen to the organization in staging the fifth annual Western Week.

Western Week will be staged simultaneously with the Los Angeles Menswear association's Palm Springs Roundup, the fourth annual convention of that organization here.

Can Still Use Scout Leaders

Mrs. B. H. Poliak of the Girl Scout council today expressed her appreciation for the response to the call for Scout leaders but said that a few more could still be used.

She asked any desiring to volunteer to attend a leaders meeting tonight at 7:30 at her home, 227 Via Las Palmas. Further information may be obtained by dialing 4111, she said.

Teen Target to Open Tomorrow

Board of directors of Palm Springs Youth Center in session Wednesday decided to re-open the Teen Target on Bellard road tomorrow instead of today and established new homes.

The Target will be closed Sunday and Mondays and open from 3:30 to 9 p. m. Tuesday to Thursday, 3:30 to 10 p. m. Friday and 3:30 to 11:30 Saturday nights.

Close Watch To be Kept on Cement Mill

Chamber Organizes Committee to be on The Alert for Action

Alert that S. A. Guiberson Jr. may defy the new county ordinance, barring heavy industries in a 66-square-mile area around Palm Springs, and actually start construction of his proposed \$10,000,000 cement plant, directors of the Palm Springs chamber of commerce, created a committee to closely watch the situation and be prepared for immediate action.

In session Monday, Earl Coffman, co-owner of the Desert Inn, was named to head the committee. Others appointed to work with him were Florian Boyd, Milton Hicks, Earl Strebe, George Wheeler, Arthur Bailey, Lyle Newcomer, Roy Colegate, Dick Joy, and Harold Hicks.

It is expected that this committee will work in close harmony with county officials in watching development at the cement plant site eight miles northwest of Palm Springs.

Supervisor James L. Easley yesterday declared that no building activity at the cement plant site is in evidence and that until such activity is started indicating that Guiberson definitely plans to erect the cement plant, there is no violation of the ordinance.

Village Woman Taken by Death

Mrs. Leonie E. Connors, wife of John Connors, died at the couple's Beverly Hills home, Monday after a lingering illness.

The Connors Palm Springs home is at 197 Via Lola.

Last rites were said for Mrs. Connors Wednesday afternoon at 2 o'clock at the Cunningham and O'Connor chapel, West Washington, Los Angeles.

The Connors have been winter residents in the Village for the past few years.

The PUBLISHER'S
by OLIVER B. JAYNES *Kotner*

A CRITIC OF OUR PRESS who thought of himself as a wit and was probably half right, once said that the average American firmly believes there are only two kinds of newspapers—bad ones, and the kind he would produce if only he were the editor. Criticism of our press is as natural to Americans as the right to jeer the umpire. But in the wave of cynicism that follows every great war there are scoffers who insist that our press no longer has purpose or meaning. To them the slogan, "Your right to know is the key to all your liberties," adopted as the battle cry for National Newspaper Week in October, is only an empty phrase. Perhaps the validity of the statement can best be defended by citing a specific case.

"Iron Curtain" erected by the Soviets around their own and satellite countries. The Iron Curtain is nothing more than a sealing off of the area from all exchange of information or "intelligence." We have resented that barrier and have interpreted it as a deliberate insult by the Communists. Yet as Professor Robert L. Reynolds of the University of Wisconsin history department told a conference of editors last spring, the Iron Curtain is at least 1,500 years old. It was maintained not only by the Communists, but by the Czars and by the original Mongol invaders. There have been iron curtains in Japan, China, or wherever governing control belongs to an elite group.

THE ONLY PEOPLE in any country who need an unlimited exchange of information are those who rule. In the USSR only a small core of the people have control of power. They have information, and they get it through business agents, civil and military attaches, and spies. But the vast majority of people having no voice in government, have no need of such information. Indeed, such information may be dangerous, since it may weaken the power of the controlling group.

In the United States the people rule—and since they are in control of policy, the press and public opinion are vital. Again the cynic goes a faint curl of his upper lip. He points to the Pendergasts, Hagues, Crumps, and the long line of bosses who have manipulated the vote, and he declares that the rule of the people is only an illusion. There have been times, it is true, when popular sovereignty appears to have broken down. But the proof of its strength is in its record. In spite of the weaknesses of our system it has proved superior to the most ruthless challengers. It has stood the test of time in critical times when the people can reject unworthy leaders. They may not know for whom they are voting, but they know in a crisis what they are voting against. No one can long flout public opinion in this country. Public opinion—the voice of the people—is our ultimate rule.

SINCE THE PEOPLE rule in America, they must have information upon which to base their opinion. This does not mean, against secrets, diplomatic correspondence, or intelligence, which, if made public, would endanger the people's welfare. It does include all information necessary to help our rulers—the people—determine matters of broad policy. Our federal, state, and local governments might furnish this information, but it would lack variety or viewpoint and quick dissemination. Nor could it wrap this information in the sugar coat of entertainment which carries this essential intelligence into the home of almost all our rulers. Only the press—now broadened to include all communications agencies—can perform this function so interestingly and so efficiently.

Until a more effective means of distributing this vital information can be devised, honest editors and publishers can look their fellow citizens squarely in the eye and say, "Your right to know is the key to all your liberties—and that is my business."

Somebody Will Get Big Tank

Advertisements asking for bids on the 50,000 gallon redwood water tank at Palm Springs airport will be placed next week, City Manager William Alworth said yesterday. He added that there is considerable interest in the project and the tank and it will be easily sold.

Fire in La Quinta Area Does Damage

Fire of undetermined origin caused damages to buildings of the La Quinta Tile Factory at 6:30 p. m. Sunday.

California State Forestry Service fire fighting units and the Indio fire department fought the blaze and successfully kept it from reaching expensive homes and hotel properties in the La Quinta area.

Newspapers Praised for Fostering U.S. Liberties

It was the turn of the newspapers today to be praised instead of praised. A national newspaper week started today and continues until Oct. 8. National, state and municipal leaders joined in calling attention of the public to the service the nation's newspapers are rendering. Educators, governors, congressmen and leaders in all walks of civic life had something nice to say.

In his proclamation designating the week of Oct. 1 to Oct. 8 as Newspaper Week, Gov. Warren said:

"During the period of October 1st to 8th, inclusive, the editors and publishers of America will sponsor the observance of ninth annual National Newspaper Week."

"Their slogan will be: 'Your right to know is the key to all your liberties.' This precious 'right to know' has been cherished by many generations of Americans. It was handed down to us by our founding fathers who wrote a guarantee of freedom of the press into the Constitution of the United States."

"Public confidence in an unrestricted press has been justified by the leadership which American editors have given to many great movements contributing to this nation's progress. While in other parts of the world the curtailment of editorial freedom has foreshadowed the destruction of many of the institutions of Democracy, the press of America has helped to keep our nation strong and to preserve its liberties."

"So that our people may become more fully cognizant of the importance of preserving their vital 'right to know,' I, Earl Warren, Governor of California, join in calling attention to the many public services rendered by the newspapers of America, and do as Newspaper Week in California hereby proclaim the period of October 1st to 8th, inclusive, 1948, as Newspaper Week in California."

Leaders to Talk At Republican Meeting Monday

Palm Springs republicans will rally Monday night in the first meeting of the campaign to hear Dorothy Hall, Riverside county Dewey-Warren chairman, and Philip L. Boyd, southern California chairman.

The meeting will start at 8 p. m. and will be at the Fiesta House on the Desert Inn grounds. Melba Bennett, local chairman, will be in charge.

Republican headquarters were opened this week at 101 North Palm Canyon drive with Mrs. Gretchen Wright in charge. She sounded a call for volunteer workers today.

Annual Benefit Slated Nov. 10

Annual Palm Springs chamber of commerce benefit affair will be held November 10, with three co-chairmen in charge of arrangements. It was announced yesterday.

As in the past, receipts will be used to pay for chamber of commerce activities. The co-chairmen are Hilton Hicks, Vic Sudaha, and Max Dresdner.

Master Airport Plan Prepared

City Councilmen in session Wednesday night will study the master improvement plan of the Palm Springs Airport prepared by consulting engineers.

The plans include proposals for use of the temporary buildings and the final erection of permanent buildings later. Also outlined are provisions for access roads, streets and fences.

Seal Coating Task Completed by City

Seal coating of 19 miles of city streets was completed last week according to City Engineer George Minturn.

The work was accomplished with city crews and cost less per mile than the work did last year. Last year's work was considerably below the cost charged the city by a private contractor.

Overtime Parking Means Citation From Today On

Winter schedule of parking law enforcement on Palm Canyon drive, Amado and Andreas roads went into effect today.

Chief of Police August Kettmann yesterday instructed Traffic Officer Bob White and other members of the organization to cite motorists for parking violations on those streets starting today.

Wednesday and Thursday police department members distributed hundreds of cards by attaching them to windshield

Bids Advertised For Construction Of Bank Building

Bids for the construction of the new Bank of America building were asked yesterday according to Kenneth Colborn, president of the Palm Springs corporation, owner of the property.

Colborn added that construction will start just as soon as a building contractor is selected. The new structure will occupy space from which four buildings are expected to be moved, located from 142 to 154 South Palm Canyon drive. Removal of these buildings is expected to start this week, according to an announcement by the purchaser of them, Gail Thompson.

Dimension of the new bank building will double the space of the present bank's quarters, will feature a mezzanine for use by employees and will immeasurably increase the facilities to patrons of the institution, according to Fred Ingram, bank manager.

Fire in La Quinta Area Does Damage

Fire of undetermined origin caused damages to buildings of the La Quinta Tile Factory at 6:30 p. m. Sunday.

California State Forestry Service fire fighting units and the Indio fire department fought the blaze and successfully kept it from reaching expensive homes and hotel properties in the La Quinta area.

DAV Leaders To Convene In Village

Members of Palm Springs Chapter 66 of Disabled American Veterans will hold their first meeting of the season in Potter Clinic, 8 p. m. October 6, when plans will be formulated to entertain 200 southern California district commanders expected to converge upon the Village Sunday December 12.

The meeting of the district commanders here may have an important bearing of whether Palm Springs will play host to the DAV state convention in May, 1950. Palm Springs made its bid for that meeting at the state convention held in Long Beach last June.

The meeting will be presided over by District Commander E. E. Cox, of Ontario. Dinner will be served the visitors at the American Legion Hall.

Presiding at the meeting here Wednesday will be Dr. James E. Potter, commander of the local chapter. Among other matters to be discussed will be plans for the annual Forget-Me-Not drive.

Enough Gas In October Is Forecast

There'll be enough gasoline in October for all needs, was the assurance given local and western motorists yesterday by heads of the struck west coast refineries.

The supply for the public will be 90 per cent of the pre-strike July level, A. C. Stewart, chairman of the industry's allocation committee said in Los Angeles.

Because of seasonal variations, he said, 90 per cent of the July supply should be amply for October's needs.

Stewart praised the public for its voluntary rationing which has held consumption of gasoline to 75 per cent of the July quotas and thus avoided a motor fuel famine.

Jaycees Discuss Plans for Season

Junior chamber of commerce members met Monday night at American Legion hall in a general attendance meeting to discuss plans for the season and enlarge on projects already listed for the year.

Dr. Robert Backstrom, president, presided.

Reports were heard on progress of plans for Charter Night, to be observed Oct. 16. Ed Hawkins is general chairman and has his program well outlined.

The junior chamber plans an active season and has many projects under consideration, all of which were discussed Monday night.

Shop of Charm Opens Tomorrow

Mrs. Fanny Klass, owner of the Shop of Charm, shop-owner here for more than a decade, returned this week from a summer spent at Long Beach. She announced that her Shop of Charm, in the Carnell building, will open this Saturday.

Assisting her this year are Mr. and Mrs. John Wexs, of New York City. Mrs. Wexs, is her sister. Mrs. Klass said that she returns here with a large and beautiful selection of new costume and antique jewelry, silver and glassware, antiques and other gifts.

Blythe Airport Goes to County

Quit claim deeds to the 3190-acre former military airport at Blythe, received by the county from the War Assets administration this week, were referred to the county airport commission for study and recommendation.

The documents quit claim the government's title to about 150 buildings of various types which were classified by the CAA as necessary to the airport for its proper operation.

Six New Men On County CHP

Take it easy on the county highways.

Six new men have added to the force Capt. A. R. Hastings of the county unit of the California Highway Patrol, said this week. The additions bring the county staff to 31 traffic officers, three sergeants and one captain.

Winter Program At Youth Center Presented Board

Directors of the Youth Center are scheduled to meet this afternoon to formulate a fall and winter program of activities for "Teen Target" which re-opens to-day after a three-week "dark" period. Sitting with the directors will be Mr. and Mrs. Lester Jackson, directors of Teen Target.

Part of the program, expected to come up as a topic of discussion will be the operation of the girl's hobby room where ceramics and leather-tooling will be taught by Mrs. Jackson.

Mr. Jackson will report on progress made in equipping a photographic room where boys will be taught picture taking and developing of films.

Members of the board of directors are: Mrs. Harold Hicks, chairman; Dr. Ernest E. Oertel, Dr. James R. Oliver, Mrs. Barney Hinkie, Leo Baker, August Kettmann, Chief of Police; Mrs. Frankmann, chief of police; Mrs. Frank Purcell, Mary Jane Hicks, Lloyd Mason Smith and Paul Summers.

Approve Added Help at Center

Riverside county supervisors Tuesday authorized employment of a typist-clerk for Palm Springs Health Center.

Public Health Nurse Madge Holderman said that the new aide would be on the job next week.

Fund is Authorized

County supervisors Monday signed an agreement with the state for allocation of funds for maintenance of the county veterans' service office.

The agreement is the same as the previous pact except that state funds have been upped to meet rising general costs.

Phillips Gathers Data for Colorado Water Legal Fight

In preparation for a renewal of California's fight to carry the Colorado river controversy to the United States supreme court, Congressman John Phillips will join a four-day inspection tour of Colorado river developments early this month.

"Our legal controversy with Arizona over division of the Colorado river water is one of the most vital issues facing us," Phillips said. "The entire economy of southern California is threatened by Arizona's attempt to take Colorado river water that we contend legally belongs to California."

"If Arizona should be victorious in this controversy, our development would be seriously menaced. The fight in the next session of congress will be greater than in the last session, when we were successful in stopping Arizona's raid on our water. I shall return to congress prepared to do everything in my power to have the controversy placed before the supreme court for final determination."

Phillips pointed out that existing and authorized projects will use all water available in the Colorado river. In spite of this situation, Arizona is seeking to build a gigantic new irrigation and power project at a cost of more than a billion dollars. Water for this project could be obtained only by depriving California.

Brooks Massage Studio is Opened

Brooks Massage Studio at 332 N. Palm Canyon drive is open for the season under the ownership of Jack Wilson of Beverly Hills. He will be assisted by Bob Rudesill, formerly private masseur for many Hollywood stars. The studio will feature electric cabinet and Swedish massage.

We Will Just Have to Slap Those Gnats

We'll just have to keep on slapping.

There isn't any way to scientifically get rid of gnats. Supervisors were told Monday by the county health department that the latter was willing to work on the gnat problem in the desert area but that it didn't think it would do any good.

In a letter to the board the department said it would experiment with gnats at the insect laboratory it operates at Indio but—

There is no known method of ridding an area off gnats.

County Hospital Rates Increased

An increase of rates at the Riverside county hospital, to bring charges in line with actual costs, is being discussed by the board of supervisors.

A new rate structure has been recommended by both Superintendent Henry D. Stailey, and Business Manager Mark Hendrickson. The new rates, if approved, would be charged federal and state patients as well as the public.

Costs, as determined by a cost-accounting system, are in most cases considerably higher than the present rates. The recommended rate increases, however, are still below costs. Supervisors indicated they might boost the increase to actual costs.

Land is Acquired

Five acres of land in the Idyllwild are have been acquired by the county for use as a mixing table for road material.

The deal was made at the request of the county road department.

100 Participate In Public Forum On Constitution

More than 100 high school students, their parents and friends took part in a public forum discussion on the United States Constitution and Bill of Rights in the auditorium of the American Legion Hall Monday night.

The discussion was led by Ronald French, Elan Purnell, Ben Chaffey, Nicky Nichols, Norman Rasmussen and Pat Fowler.

After the students' address the session was thrown open to a question and answer period with queries from the audience to the young leaders on the stage.

M. G. Mead, Master of Palm Springs Masons, was in charge of the forum which got underway at 8 p. m. and continued until 9:15. The students were coached by John Schwendiman.

Amvets Start Disaster Aid Program Here

Two-Fold Emergency Preparation Plan Set in Motion

A two-fold program dealing with possible disaster in the community was initiated by Palm Springs Post 34 of Amvets Monday night, in addition to hearing nominations for officers. Approved also was a resolution by Dr. James E. Potter that Amvets sponsor the Palm Springs high school football team.

The disaster relief program took form with appointment by Commander Graham Dexter of a disaster committee composed of Col. Ed C. N. Brasswell, chairman, Dr. Charles H. Church and Bill Rashall.

AN EQUALLY important part of the program was the call for volunteers among members to have their blood typed at the Palm Springs Community hospital so that blood donors may be called by Village physicians in case of emergency.

The committee Tuesday obtained copies of the city's disaster ordinance passed in 1946 and made an appointment with City Manager William E. Alworth to follow through with a city-wide plan.

Alworth, who was out of his office at the time, when told of the disaster committee's visit said that "It is a fine gesture on the part of Amvets to place themselves ready for service."

COL. BRASSWELL, who proposed the resolution seeking the creation of an Amvet disaster committee said that it would work with other local veteran and civil organizations. He sounded a warning that in event of war, Palm Springs would overnight become the refuge of thousands of coastal residents.

Appearing at Palm Springs hospital Tuesday to have their blood typed as volunteer blood donors were Dr. Charles Rashall, Joe Fuller, Col. Brasswell, Carl Dearbonne, H. Grant Wood and John Ramatko. Others are expected to follow until the entire membership responds.

NOMINATIONS for officers included Jay Rollman and Milton Hicks, for commander; John Ramatko, first vice commander; Grant Wood, junior vice commander; Walter Pagan and Lorraine Harper, adjutant; Peggy Scott, financial officer; Barney Hinkle, advisory committee; Don Cameron, executive committee.

Ocean Short Cut Highway Pushed

A special use permit for the reopening of the old CCC camp at Tripp flats as a spike camp for county prisoners who will work on the Anza road was granted to Riverside county this week by the U. S. Forest Service.

Supervisor Floyd Gilmore said that the county plans to move in almost at once and start work on the old road from the Palms-to-Pines highway to Aguanga will start next week.

The highway will eventually provide a shorter road from Palm Springs to south coast points. The prisoners, who will perform the construction labor, will be moved from the present camp at Banning.

Realignment and regrading the upper 11 miles of the 22-mile road, plus brushing and fencing the right of way, is scheduled.

Back in Village

Mr. and Mrs. L. E. Crow, managers of Tahquitz Vista hotel, are back in the village after spending their vacation in Akron, Ohio.

Elks Preparing For Local Lodge

Organization of an Elk's Lodge in Palm Springs, long sought here by card holding members, was discussed by August Nardoni, chairman of the Elk's organization committee here with L. A. Lewis, head of the state committee in Los Angeles this week.

Nardoni reported that a permanent location for the lodge meeting hall has been found in Palm Springs, 100 to 200 prominent local businessmen and Villagers have been suggested for charter members and asked all members of his committee to contact him as soon as possible so a date for a meeting can be set and the list of eligible candidates can be submitted for investigation to state headquarters.

Milk May Go Up

Public hearings have been called in San Bernardino for Oct. 11 on request of milk producers for a raise in prices in the county.

Logging Control Measure Adopted By Supervisors

Logging operations at Dutch Flats in the San Jacinto mountains near Idyllwild will be done under the watchful eyes of the Riverside county sheriff, the board of supervisors decided Monday.

While the sheriff cannot stop the operation, he is required by county ordinance to enforce regulations on the removal of slash, which if left in piles constitutes a dangerous fire hazard.

THE BOARD DECIDED to send the sheriff into the mountains where Earl Redwine, county counsel, disclosed that his conference with Norman J. Farrell, supervisor of the San Bernardino National Forest, was negative in that there appears to be no immediate way the county or anyone else can stop logging on private lands.

The Idyllwild chamber of commerce, through its secretary, Charlotte Little and Lew Britton, its planning committee chairman, appeared Monday for the second week to ask the county to do something to regulate the logging.

THEY DECLARE that the firm cutting timber is responsible for damage to the watershed and want all timber cutting prohibited.

Redwine, meantime, is still studying the law to find if any

Board Debates Buying Building For County Use

Solution of problems imposed by Riverside county's pressing need for additional courthouse space appeared this week in discussions of the proposed purchase of a large downtown building in Riverside for \$140,000.

While this purchase proposal is probably at least six months to a year in advance of the availability of funds, it being given serious consideration and study by the board.

Involved in the study is the possibility of adding two stories to the structure, now occupied by the Security Investment company.

Keg of Nails Just Grief for Suspect

Detained originally on suspicion of theft of \$100 from the hotel room of Harry Ozonof, Los Angeles, Franklin Sheppard was today being held while a charge that he stole a keg of nails was being investigated.

The suspicious nails were found in his room, police said, when they probed the money theft charge.

His wife was held on a rooming house law charge.

possible basis for application of controls, along lines recommended by the forest service and the state, can be found.

Sanitary District Takes Over Task In Cathedral City

After today it will be illegal to dump, bury or burn any garbage in the Cathedral City area, to transport garbage without a permit or to allow it to stand more than four days, within the limits of the new Sanitation district. Supervision of garbage and refuse collections in the area was taken over today by the recently created Cathedral Sanitation district.

Board members, elected last Spring, are L. C. Lewis, Warner Moon, C. S. Cobb, H. E. Headley, Paul W. Clark, and W. R. Hillery. They have held several preliminary meetings and with the aid of legal advice, have drawn up a series of ordinances which may be read at the postoffice, town hall and Peter Pan Pastry.

As no tax money will be available for a year, payment for garbage collections will be as heretofore. Payments for the four months starting today are now due and may be made at Cathedral City pharmacy. Board members hope the payments will be prompt and that there will be no interruption of service with the increasing seasonal population.

Weber's GOOD IDEAS

KITCHEN TRICK

TO MAKE Marshmallow Sauce, simply use a ratio of 1 tablespoon water to each 3 marshmallows. Melt over low heat or in the top of a double boiler.

HOUSEHOLD HINT

FLAT GINGER ALE still has lively flavor to add to gelatin desserts. Use it instead of the liquid called for in your recipe.

RECIPE

EGGPLANT CREOLE

1 medium size eggplant 2 c. canned tomatoes
1 sliced green pepper 3 strips bacon, diced
2 small sliced onions 1½ tsp. salt
½ tsp. pepper

Peel and dice eggplant. Mix with balance of ingredients, season and place in buttered casserole. Cover and bake in moderate oven about 30 minutes. Stir occasionally and add a little boiling water if mixture seems too dry. Serves 5-6.

STRAIGHT "A's"

HIGHEST mark goes to Weber's Bread for flavor, freshness and deliciously tender goodness. Year after year, enriched Weber's Bread earns good-eating honors from families who demand the best. Look for Weber's Bread in the blue and white checked gingham wrapper.

**Rector to Speak
On Human Rights
Sunday Morning**

The Rev. Robert M. Hogarth will preach Sunday morning in the Episcopal church on "Christianity and Human Rights." The month of September just passed marks the 163rd anniversary of the adoption of the U. S. Constitution. Significantly the Lambeth conference of all Episcopal Bishops throughout the world, meeting in London this summer, based a whole section of its report on this subject.

Sunday School reopens for the season last Sunday with a record first Sunday attendance and all classes staffed from pre-school to high school age.

"The conditions are ideal for study in our new separate classrooms, free from noise and interruptions. There is ample room for more children," said the rector.

The clergy and lay delegates from all Episcopal parishes will meet again in St. Paul's Cathedral, Los Angeles, October 21 for the election of a new suffragan bishop to succeed the Rt. Rev. Robert Burton Gooden, D. D., suffragan bishop retired. Lay delegates from Palm Springs are Frank W. Camp and Raymond R. Wilson.

Rancho Ramblings

Rancho Trailer Park has taken on an entirely new aspect this past week. The weekend brought in many new arrivals and new people seeking reservations.

Roy Mauldin and his most charming mother from Beverly Hills are back. Last season's trailer folk will recall their place as being one of the most colorful and photographed lots at Rancho. Mr. Mauldin will be reader for the Christian Science society this season.

Mrs. Sally Taylor who has just returned from an eastern trip, had her trailer brought back from Gilman Hot Springs where she had it stored over the summer.

Mrs. Nellie Gibson Runyon of Washington, D. C. spent most of the summer at Laguna Beach. Mrs. Runyon's husband, Capt. G. L. Runyon is installation officer with the 8th Fighter Group on Kishinou Island south of Japan. He has been occupied with his duties there for the past two years.

Col. and Mrs. F. J. Lynch, retired, and son Jerry of Studio City arrived to spend their second season in Palm Springs. Their summer was spent at Lake Tahoe. Mr. and Mrs. R. A. Barnes have returned after spending some time in Bishop and the Sierras fishing.

Mr. and Mrs. Ralph Parmley of Los Angeles who have enjoyed many years of trailer vacationing, returned just long enough to station their large Westcraft and then leave on a dove shoot in the Imperial Valley, in their 14 foot "Weekender" trailer.

Mr. and Mrs. E. J. Clemis purchased a new Chevrolet station wagon and are now at Parker Dam on the Colorado river, fishing.

Geo. C. Furlone and family, plumbing contractor of Palm Springs during the winter months, and owners of the State Line Trailer park at Lake Tahoe, were welcomed back. Many Palm Springs people visited the Furlones at Lake Tahoe this summer. George took time off from work in many cases and showed his guests where fish could be caught in abundance. With them when they returned was a beautiful 10-week-old registered Col. Bob and Dorothy Dearborn and son Bobby, son-in-law of the Furlones spent their summer with them.

Mr. and Mrs. Ray Belton just recently returned. They also spent the summer at Tahoe, as did Mrs. Nelda Daniels.

In case anyone is interested in knowing where most of those mouth watering aromas hail from, well it's from the barbecue pits of "Yogi" Klein, Matthias, Harts, and the Cecil Kitchens. And by the way, the Kitchens were the very first to visualize the beauty of the mountain side for their trailer site. Their picturesque place is called Crystal Crag.

Yes, Rancho is an attractive little village in itself.

Another step of progress for Cathedral was taken Monday morning when the ground for the California Gas Co. building was broken. The site is at the corner of Cathedral Canyon drive and Commercial road in The Sun Air Plaza tract. When completed it will house the offices and main

tainment, employing around 15 people. The Sterling Construction Co., has the contract for the building.

Mrs. Lenore Hartnagel, cousin of Mrs. Warner Moon, purchased the Josephine Toggery on Broadway from Mrs. Josephine Johnson.

The Desert Nursery is now open for business with a very complete line of everything possible for beautifying local homes. It is located on Broadway.

Miss Norma Bogges of Illinois, is spending a few weeks with the Milt Busby family who returned last week from their summer at Lake Tahoe. Miss Bogges is completing her high school work in Palm Springs.

Mary and Jim Wolseth expects to be home this week after spending a month visiting interesting places and doing exciting things on their way home from Woodstock, N. Y., where they spent the summer.

Butch Harris spent his first leave home from the forestry department on Sunday and Monday. Says he likes the work very much. He was a volunteer fireman on the Cathedral force before joining the forestry.

Mr. and Mrs. Harold "Slim" Headley returned home this week from their summer vacation that they spent caring for a ranch in Yucapia. Perhaps it was only a change and not a vacation. Anyway they are hard at work now preparing their nice apartments for winter residents.

Miss Bernice Cahill now has her cafe and fountain open in the De Luxe Trailer Park recreation hall.

The first meeting of the season of the Ladies Auxiliary of the Community Church was held

on Thursday of last week at the home of Miss Lydia Engh. Twelve attended and much business was brought up. Mrs. Evelyn DuVall, president, presiding.

A number of members of the Women's club attended a meeting of the Costa Mesa Women's club on Tuesday.

Mrs. Edna Peterson, Mrs. Evelyn DuVall and Misses Nellie and Bessie Tucker attended the Presbyterial at Riverside on Tuesday.

Russ and Lois Barclay are again residents of the De Luxe Trailer Park. They recently opened their lovely new beauty salon in the new Linkletter building.

Wednesday evening there was a reception for teachers at the Cathedral City school. A goodly number of parents attended and met the three new teachers and renewed the acquaintance of last year's teachers. Also inspected the lovely new class rooms and offices.

Don Keys, who has been relief man at the fire station for several months returned to school to complete work that was interrupted by going into the service.

Mr. and Mrs. Ross Davidson returned home from Los Angeles this week after spending the summer there. Reported they were very happy to be home.

School Complete**

Sunday School at the Community church starts at 9:45 a. m. With increased department rooms the growing need for a departmentalized Sunday School is being met. The beginners' department is for children of pre-school age; the primary department for first, second and third graders. Separate departments are being planned for junior, junior high, high school, and adult groups.

A successful teachers and officers' meeting was held on Tuesday evening in the home of Mr. and Mrs. Gordon Feekings. The group discussed the work of the Sunday School and made plans for the carrying through of a program designed to reach a great many of the families of our village with Christian Education.

AT THE MORNING WORSHIP

service (11:00 o'clock) the Sacrament of the Lord's Supper will be observed.

"This sacred service which commemorates the death of the Son of God for the sins of the world and reminds all Christians of His infinite love and mercy is open to all who confess Him to be Savior and Lord. Those who sincerely repent of their sins and are trusting the Lord Jesus Christ for their salvation are welcome to partake of the Communion regardless of denominational affiliations. The chancel choir will be present for the first time this season to render special music under the leadership of Robert Hughes Mitchell. A nursery is conducted during the worship hour to care for small children," said the Rev. James Blackstone, pastor.

YOUNG PEOPLE will have their regular evening meeting in the church parlor at 6:15.

In the evening service at 7:30 p. m., Rev. Blackstone will preach on some of the great choices of the Bible, illustrating his message with a number of slides of famous paintings.

yet services has not been started at Palm Desert.

Mrs. H. Roy Millie Kiser, Mrs. C. Alessandro and Mrs. J. Alessandro have been very busy working on the drapes which hang in back of the altar. This week the canopy above the altar will be permanently covered with a rich red damask.

The firetruck was called out early on Tuesday morning to extinguish a fire at Thousand Palms. About 2 acres of grass and several palm trees were destroyed.

Mrs. Mable Cain and Mrs. Florence Pearl spent the day on Monday shopping in San Bernardino and Redlands.

Mrs. George E. Gibson wishes to express her thanks for the thoughtfulness shown by her friends and neighbors during the serious illness of her husband.

Landmarks Making Way For Progress

Movement of four buildings located at 142-154 South Palm Canyon drive to make room for construction of a new Bank of America building is expected to start sometime next week. The buildings have been at their present site for years as Palm Canyon drive landmarks.

Gail Thompson, owner of Gayle's Studio, announced the firm of Wright and Leonard, movers, has been given the contract for removing the buildings to new sites on the Indian reservation. One of the stores, double the size of the three others, will be used for a duplex dwelling. The other three will be set down on locations facing Indian avenue where Thompson plans to rent them for commercial enterprises.

Tenants of the stores on Palm Canyon drive expect to vacate today Thompson said. They include Western Union, Kelly's Furniture company, Copeland's Candy Shop and Beebe's Linen store.

Dr. H. W. Finke Opens Offices In Palm Springs

Dr. Howard W. Finke, Naval officer during World War II and member of a surgical team during the Marshall Islands, Saipan, Guam and Japan campaigns, this week became a member of the Potter Clinic, 1020 North Palm Canyon drive.

Dr. Finke, graduate of College Medical Evangelist class of 1938, did post graduate work at the University of California and White Memorial Hospital. He practiced medicine for five years at Crescent City, and was a member of the Westminister medical group near Santa Ana before coming to Palm Springs. He plans general practice in surgery, medicine and obstetrics with special attention to the diseases of children and women.

Current Housing Problems Topic

Current problems in the home-building field will be analyzed by some of the country's leading home builders when the directors of the National Association of Home Builders gather in Los Angeles Oct. 3-9. Meetings will be held in conjunction with the Pacific Coast Conference of Home Builders.

Milton J. Brock of Los Angeles is president of the national organization.

Major topics of home building interest including finance, merchandising and mass production will be discussed. Franklin Richards, FHA commissioner, will address the gathering on the subject of government-industry co-operation in satisfying the housing demand.

Realty Office Is Opened Here By Miss Steele

Miss Miriam (Bunny) Steele has opened a realty brokerage office in the Carmelita building, 505 North Palm Canyon drive, she announced yesterday.

She will still represent the Rancho Mirage tract at her new office, she said.

During the war Miss Steele was secretary in the X-Ray department at Torrey General Hospital and later at the Cadillac agency in the Plaza.

Builders Launch Wide Cost Study

Because the residential construction industry already is overburdened with many excessive costs, the Home Builders Institute is launching an exhaustive study of labor turnover costs, Clifford L. Rawson, Institute secretary-manager, said yesterday. "The study is being conducted to determine methods of eliminating the appalling rate of labor turnover in the home building industry," he explained. "Indications are that the labor turnover in the construction industry is probably higher than any other industry."

"Reports have been received from Institute members that it costs \$60 per person to discover that a worker, after reporting for work, is unsatisfactory. The Institute will study proposals that builders should not hire any worker who does not have references and that adequate employment records should be kept for the benefit of employers."

State Convention Draws Realtors North Next Week

Bill Veith, president of the Palm Springs Realtor's association said yesterday he did not know if any members plan to attend the convention of California Real Estate association, in Oakland, October 4-7, but he did urge members, in that part of the state on vacation, to attend. More than 3000 members of the state association are expected to attend.

One of the principal activities slated is the further mapping of the educational program sponsored by the National Association of Real Estate Boards and already advanced throughout the state under the auspices of CREA. Leland P. Reeder, Beverly Hills, will preside over the convention.

Lt. Governor Goodwin J. Knight is to address the convention on "California Comes of Age."

National Realty Session To Set Attendance Record

Largest pre-convention registration in its history was reported by the National Association of Real Estate Boards for its 41st annual convention, Nov. 14-20, in the Commodore Hotel, New York.

Among Village realtors planning to attend is Mrs. Marie Jones, who will leave for the east this month.

"Opportunities for Greater Service" has been selected as the theme and the program will stress that and advice on selling in the developing buyers' market, the report stated and announced the following program:

Panel discussions on brokerage and urban development, which proved so popular last year at the San Francisco convention, will have feature billing again this year.

Hobart C. Brady, Wichita, president of NAREB, will preside and give one of the major addresses. Other real estate experts who will speak include Fred B. Mitchell, San Diego, president of the California Real Estate Association, on "Revamping Our Sales Technique," and J. C. Nichols, Kansas City realtor.

Open Season
At Doll House

Palm Springs Soroptimists held their first meeting of the season at the Doll House Wednesday noon with newly elected officers presiding and heard from Mrs. Edna Brott, delegate to the Toronto, Canada, convention of the American Federation of Soroptimists, a first hand report of that meeting.

Presiding at the meeting was Ma dge Holderman, president. Other officers present were Mrs. Mickey Wheeler, vice-president; Eileen Carey, secretary; Mrs. Esther Weingarten, corresponding secretary; Mrs. Brott, treasurer, and newly elected directors Gladys Capter and Katherine Finchey. Hold-over directors present were Peggi Scott and Miss Muriel Fulton.

Working theme of the local organization will follow the pattern set by the Toronto convention: "Working for the World We Want," as reported by Mrs. Brott. Future weekly meetings of the organization here will be held at the Doll House Tuesdays at noon.

Girls' P. E. Work Well Under Way In Gym Sessions

By NANCY NYE

Under direction of Moya Henderson, the girls' physical education program is well under way toward what promises to be a particularly active year.

Preliminary practice for the up-coming basketball season started on the courts Monday. The sophomore and senior groups seem to have a little edge on the others in prospective team material though it's still a little early to predict what may come out of our freshman class.

Urgent suggestion: Hang on to your towels! The new system requires a daily exchange for fresh linen. Watch it, or you'll find yourself, at the end of the year without the price of one square of terry cloth.

The housing situation has caught up with the P. E. classes, with the female athletes sharing lockers at the rate of about six per locker.

Will we be glad to move into that new gym? This event should be about mid-October. Which brings us to the new pool and to the current crop of worries about what we'll be doing with our wet bathing suits and wet hair. We're betting there will be a rush to the barber shops. Shave over, fellahs!

Dutch Program Marks Assembly

Palm Springs high school held its second assembly of the new year Thursday.

Mr. and Mrs. Dona, who are national school assembly entertainers presented the students with a fine arrangement of their Dutch songs and dances. Mrs. Dona also explained the customs and costumes of the Dutch people.

Mrs. Dona's attire consisted of a black gathered skirt, white apron, a white starched cap and wooden shoes. Mr. Dona was also dressed in his national Dutch costume consisting of a black cap, striped shirt, wooden shoes and balloon type of trousers.

Mr. Dona accompanied his wife with a violin, while she played the accordion and sang. Mr. Dona also demonstrated to the students how music can be made with a violin bow and a saw.

Student Council To Complete Its Slate Next Week

Student Council of the Palm Springs High School will begin its work within the next week, when the remaining officers will be elected.

The officers for this year who were elected last spring are: Student Body President, Jim Willis; Vice President, Sandra Veano; Commissioner of Girls' publicity, Betty Wright; Comm. of Boys' Publicity, Norman Rasmussen; Comm. of Finance, Barbara Thompson; Comm. of Athletics, Bill Styers and President of Girls' Athletic Association, Nancy Nye.

Other officers to be elected by various groups in the student body are: Comm. of Interior; Comm. of Girls' Activities; Comm. of Boys' Activities; Lettermen's Club President and the four class presidents.

First job of the new council is filling the vacancy in the office of Comm. of Athletics created by the absence of Bill Styers who did not return this year.

Council members hope and sincerely feel that this year will be very successful and profitable for the school.

G. A. A. Activities Given Good Start

By SUE OLIVER

G. A. A. activities for the coming season were officially opened Wednesday afternoon, Sept. 22. Seventy girls came out for basketball, the first of four sports to be played this school year. These will be basketball, hockey, speedball, and baseball.

Members of the sophomore class had the largest turnout—22 girls. Seniors ran a close second with twenty on their two teams, headed by Barbara Thompson and Ann Oliver respectively. Sporting two teams also, are the sophomores, whose captains are Marilyn Denton and Doreen Ehlert. The freshman class had a turn-out of sixteen girls, putting them in third place.

Team captains are Loretta Brownell and Celeste French. In fourth place are the juniors, with fourteen team mates. Corinne Crossley was elected captain. Mrs. Henderson predicted that the greatest competition will probably be between the seniors and the sophomores, members of the latter class being the most outstanding freshman teams in G. A. A. history.

Girls of the various teams will contest with one another in three practice and four regular games. At the basketball finale to be held a prize will be awarded to the class with the highest percentage of attendance during this particular season.

Pinky Lopez

This is the first in a series of columns that will be written about athletes of Palm Springs high.

Our first subject is "Pinky Lopez." He is five feet-ten inches tall, weighs one hundred and fifty pounds, his hair is "black with reddish tints," he prefers blondes and his favorite song is "Jody."

Lopez was born in Los Angeles and attended Holy Cross grammar school before entering Mt. Carmel high. He came to P. S. as a sophomore, lettered in football and basketball, and repeated the same performance in his junior year.

The service life of fence posts of common non-durable woods can be doubled if they are treated before set in the soil with such preservatives as copper naphthenate, creosote, zinc chloride or pentachlorophenol.

Cheer Leaders Named in Tests

"Oh, my aching back!" and "I just can't run!" these were very familiar cries around the campus last week when cheerleaders were getting in trim for their try-outs. Everyone of them did a swell job out there on the field Friday morning, but Arlene Southworth, head cheerleader, and Mable Potter and Brownie Browne as assistant cheerleaders are the three lucky girls who won.

Fads and Fashions

By VICKI MATLOFF

With the expectation of the usual warm September weather, the girls on the P. S. H. S. campus started the season by wearing cotton dresses, shorts, peasant skirts, and blouses. However, with the mornings so cool and the days so beautiful, winter fashions are making an early showing at school. Skirts and sweaters rank favorite, as always, and the skirts are still the longer length. Ties and scarves worn around the neck is a style here to stay for quite awhile, it seems.

Along with the rest of the vogue-minded women of the country, the Palm Springs girls have been swept by the new trend of short hair. The style is casual, flattering, and easily managed.

The wardrobe of a fashionable high school girl is simply not complete without a pair of glasses that are monogrammed or Harlequin, and almost any color of the rainbow.

Letterman sweaters play an important role in wardrobe of both the girls and the boys. Speaking of the male population, the newest fad is dying the hair. So in closing I would like to say that we hope this remains just a fad and does not become a fashion.

Guess Who—

Wore the matching tee shirts last Tuesday... finally got a car... is always singing "Jody"... bleached their hair... misunderstood the word hose for clothes... is on her second argyle... started going steady... is our new fullback... visited the campus... last year's junior girls heart-throb... has his nose bandaged...

H. S. Band Story Will be Happier One This Season

By CORKY HAMMOND

At the beginning of last year's school session 14 students showed up at Gustave Patzner's band class in the auditorium. If you can picture 14 boys marching down Palm Canyon drive in one of our parades trying desperately to make some noise comparable to that of the S. C. band, Huntington Park, or any of the other fine bands that visit us on those days, you will know how Mr. Patzner felt. However, Mr. Patzner, knowing what he needed, went out and recruited 16 more musicians. This year with the loss of a few seniors and the gain of more freshmen, maestro Patzner is starting off the year with 30 eager bandmen, and there's no telling what he'll end up with.

They were appointed as follows: Secretary, Barbara Greely; property manager, Marshall Thompson; librarians, Keith Smith and Gene Thompson. The student conductor is John Harp, senior, who is beginning his fourth year with the Palm Springs High School band.

LAST FRIDAY Mr. Patzner had tryouts for the drum major, drum majorettes, and pom pom girls. Mr. Patzner, Mr. Summers, and Mr. Reynolds, our swimming instructor, acted as judges and these selections were as follows: Our drum major is Joyce Skuss, drum majorettes are Shirley Mizyak, Ella Ruth Brown, Pat Williams, Penny Haley, and Margaret Dirmbuerger. Pom pom girls are Lois Wrathall, Sonya Hulme, Jackie Kinksbury, Connie Nash, Doreen Ehlert, Marjeen Watlett, and Lillian Blakeslee.

The entire outfit will be rehearsing their routines all this week and Mr. Patzner has been conferring with Andrew Lester and John Shwendiman, heads of the art class and drama departments, respectively, on some top secret matters. In other words, the big three are combining their talents for some stunts to be performed at our home football games during halftime.

THAT WILL MAKE everyone present sit up and take notice, and, we hope, frighten the opposing football team into consternation. Mr. Patzner said he hopes to have the band play at out of town games, "but," he added, "that depends on whether or not the school provides transportation."

Plan Busy Year For Indian Club

Andrew Lester, art teacher, has a full year planned for his Indian Club class. First they are going to finish the majorette, pom pom, and cheer-leader's costumes that were started last year. After that some of the students want to make their own costumes. They will also earn Indian dances and chants.

The main objects of the class are to preserve the beauty of Indian dress and to provide entertainment.

From Page 1—MORE ABOUT—

This Side ...

neighbors to borrow a cup of
sugar.

WILLARD PRICE, Cathedral
City's author, had an article in
the last Reader's Digest... In-
teresting comment on a flight
across the Andes from Chile to
Argentina... It is from his
forthcoming book: "Roving
South, Rio Grande to Patagonia"
to be published next month by
John Day company, New York.
... Palm Springs got some more
publicity in national mags this
week... In a whisky advertise-
ment one of the places depicted
where men loil and gulp high-
balls was labelled "Palm
Springs"... The illustration was
a new one to me... Correspond-
ence this week included a letter
from Fred W. Bower of San Fran-
cisco, winter resident... "I've
always thought of Palm Springs
as being the real west, as tak-
ing pride in doing things in a
big way... Of course, prices are
high but what one gets is worth
every cent it costs... I thought
Palm Springs was too big to re-
sort to penny-snatching... A
person may drive 500 miles to
the Village where he will spend
many dollars willingly... But
he will resent having to put a
penny in a parking meter to stop
to buy a copy of The Desert Sun
or a cup of coffee in a cafe."

THE DAYS are getting shorter
and who am I to be out of step?
So this is shorter, too...
Just news tips this week no
Lombardo records and the four-
horse parley crowd apparently
has gone into hiding... And
here I am with the classifieds.
... Look around and see the bar-
gains.

LEGAL NOTICES
NOTICE TO CONTRACTORS
Notice is hereby given that the Board of Trustees of the Palm Springs Unified School District of Riverside County, California, will receive bids for approximately 11,900 square yards of decomposed granite playground surfacing for the North End Elementary School, Palm Springs; each bid to be in accordance with plans and specifications. Said specifications may be obtained during business hours at the office of the School District, at the Frances Stevens School, 538 North Palm Canyon Drive, Palm Springs.

Bidders are hereby notified that the Board of Trustees has determined, in accordance with the Labor Code of the State of California, that the minimum wages paid on this project shall be not less than listed in the following wage schedule:

Trade or Hourly
Occupation Wage Rate
Laborers, general or construction . . . \$1.4875
Truck Drivers—legal payload capacity less than 6 tons 1.5625
Tractor operator, bulldozer, tamper, scraper and other type shovel or boom attachments 2.0375

All foremen shall be paid not less than \$1.40 per day more than the journeyman rate for the craft involved.

OVERTIME: The hourly straight time wage is based on an eight hour day.

Laborers: Time and one-half for overtime, except Sunday, which is double time.

Truck drivers: Time and one-half for all overtime, except Sundays and Holidays which is double time.

The above schedule is based upon a working day of eight (8) hours. The hourly wage rate mentioned is the per diem rate divided by the number of hours constituting a working day.

It shall be mandatory upon the contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the said specified rates to all laborers employed by them in the execution of the contract.

Each bid shall be made out on a form which can be obtained at the office of the District, shall be accompanied by a certified or cashier's check or bid bond for 5 percent of the amount of the bid made payable to the order of the Board of Trustees, Palm Springs Unified School District.

LEGAL NOTICES

Riverside County, shall be sealed

and filed with the District on or before October 8, 1948, at 10 o'clock A. M. and shall be opened in public at or about that time in the office of said District.

The above mentioned check or bond shall be given as a guarantee that the bidder will enter into contract if awarded the work, and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested so to do by the Board of Trustees of the Palm Springs Unified School District.

The successful bidder will be required to furnish a Labor and Material Bond in an amount equal to 50 percent of the contract price and a Faithful Performance Bond in an amount equal to 50 percent of the contract price, said bonds to be secured from a surety company satisfactory to the District.

Unless otherwise required by law, no bidder may check his bid for a period of ten (10) days after the date set for the opening thereof.

Dated: Palm Springs, California, September 7, 1948.
(Signed) ROLAND B. VAIL,
Clerk of the Board of Trustees.
Pub. Desert Sun Sept. 24, Oct. 1, 1948.

Indians Clash With Strong San Jacinto Team in Opener

By Chuck Blackhart

Palm Springs high school cracks the 1948 football schedule under the arcs on the local field tonight at 8 p. m. by taking on one of the strongest teams in the Riverside County loop.

San Jacinto, first opponent of the Indians, already has one game under its belt and that one by a whopping score. San Jacinto ran wild over Elsinore last Friday night, 49 to 0.

THE VISITORS have a hefty squad with a line that will average 190 pounds. This is the heaviest in the league and it protects a fleet bunch of backs. Coach C. E. Ballagh of the Indians, who has been putting his grid candidates through strenuous drills in fundamentals and in scrimmage, put the squad through a game last Friday. The melee ended in a 12-12 draw.

POTENTIAL FIRST stringers looked good in play but the team was still weak in down-field blocking. Coach Ballagh has been drilling the team in pass defense, a department where they were woefully weak last year and much improvement has been shown.

Guards and tackles look good so far in drills but the middle of the line is still lacking in experience. The end positions are taken care of by veterans of last year's squad.

Swimming Meet Tomorrow at Royal Palms

Swimming and diving stars from many southern cities will perform at the Royal Palms hotel pool tomorrow night in the first of a series of aquatic meets there.

The event is free to the public.

Bill Smith of Shadow Mountain club and Sax Sutton of the Royal Palms pool will be on the program heading a long list of stars of championship caliber.

The event will open at 8 p. m.

Imperial County Dove Season On

While dove hunting ended in the rest of the state yesterday Imperial county's season began today and runs through October. Late-gunners are given an opportunity of getting their bag and the possession limit of ten birds and some local sportsmen are planning to go into the neighboring county over the week-end.

Reports indicate that there is an excellent supply of targets at hand.

Standard First Aid Courses for County Groups

Standard Red Cross courses in first aid are now offered civic, industrial, school and business groups desiring such instruction this fall, the Riverside county Red Cross chapter announced.

Ben E. Carpenter, director of safety services, said that industrial studies have proved that workers who have taken first aid instruction are 40 to 60 per cent less liable to accidental injury than workers who have not taken the course.

Groups and organizations desiring to schedule classes should contact Mr. Carpenter at the Red Cross headquarters in Riverside or make arrangements with their nearest chapter branch. No charge is made for the 18-hour course, for which the standard Red Cross certificate in first aid is given.

Supervisors Ask Crime Board to Survey County

Investigation of Riverside county conditions will be made by Gov. Earl Warren's crime commission within the near future if an invitation of county supervisors is accepted.

The board asked the commission to come to the county to conduct the investigation and recommend a plan for crime prevention and law enforcement in keeping with the state's program.

Knobby Knit to Open Saturday

Mr. and Mrs. S. Howard Brezin have returned to Palm Springs, he to manage the Faerosa Villa, 940 Camino Parocelo and Mrs. Brezin to manage the Nobby Knit Shop which will open tomorrow. The couple spent their vacation with their daughter and her husband in Chicago. Mr. and Mrs. Gossman gave birth to a son named Eliot Lee.

Men's Wear Golf Bugs to Compete

Those southern California men's sportswear manufacturers plan to sport all about styles, buyers and woolens and even the convention they came to attend, Oct. 29 to 31 for at least three or four hours Sunday morning, October 31.

A special golf contest for the rabid followers of that game has been arranged to take place on the O'Donnell Golf Course. Prizes and trophies, mighty expensive ones, will go to the winners in the various classes.

President Knute Thorsen of the Menswear Manufacturers of Los Angeles yesterday announced that Ross Lewin, of Brownstein-Louis will be in charge of the golf tournament. Assisting him will be Charles Sarlow, and Jack Hausman.

Mrs. Wright To Attend GOP Beach Session

Mrs. Billy Wright will represent the Women's Republican club of Palm Springs at the annual convention of California Council of Republican Women, Southern division, at Long Beach October 6.

The meeting at Lakewood Country club, will be presided over by President Jean Fuller of Encino.

Delegates from 67 clubs in eleven southern California counties, representing 6,000 members, will be there.

A two-hour session in the morning will be devoted to the study of ballot measures. At the afternoon session from 1:30 to 3 p. m. Mrs. Charles P. Howard, Reading, Massachusetts, secretary of the republican national committee, will address the delegates and guests.

Dr. King Opens Office in City

H. H. King, D. C., practicing chiropractic doctor for the past fourteen years in Kansas City, has opened his offices here at 140 W. Alejo road. Dr. King and his wife have been residents of the Village since June of this year. They reside at 244 S. Ca-huilla road.

A graduate of the Palmer School of Chiropractors, Dr. King is a member of the International Chiropractors' association, and the Palmer's Standardized Chiropractors' association. A mason and Shriner, Dr. King is also a horse enthusiast. He and his wife each own Morgan horses, and plan to enter into the many horsemen's activities here during Western Week.

Hold First Baby Clinic of Season

First baby conference of the season took place at the Palm Springs Health Center Tuesday with Dr. Mildred Van Cleve, Riverside county pediatrician in charge.

Public Health Nurse Madge Holderman said the next baby conference will be held at the Center October 26. All mothers are invited to attend with their babies.

Waffle Shop Is Open for Season

Opening for the new season today is the Waffle Shop, long a popular dining spot here. C. F. Blatner, owner, returns this season to again manage the restaurant.

As the name implies, the Waffle Shop features waffles that are famous, as well as breakfasts, luncheons, and dinners.

The staff for the most part will be the same as during past seasons.

Aquatic Program Under Way Soon At Salton Beach

Desert Beach is looking for an active winter of aquatic sports and boating with a new pier being built, a new hotel in the making, and the engagement of Wally Frey as chef. Frey gained a mighty reputation at the Royal Hawaiian hotel as maitre de hotel and chef, and also at many Hollywood spots including the Florentine Gardens and the Seven Seas.

A native of Hawaii, he says he is tired of Hollywood and in love with the desert. He plans a big Hawaiian feast tomorrow night officially opening the season at Desert Beach.

Two new marine bars, a new pier and a new hotel are planned for the beach. Bob Hawley has some new speed boats as well as sail boats available.

October 15 will see some of the fastest speed boats in action as the racing season starts. Guy Lombardo hopes to have his new boat ready for action. He wrecked his Tempo VI which last Spring broke many records in a vain quest for the world's speed record.

In addition to boating, the swimming is reported excellent at Salton Beach right now according to M. D. Bradshaw.

Church Sponsors Radio Series

"Great Scenes from Great Plays," an entirely new departure in religious radio programs, sponsored by Episcopalian families of Palm Springs along with Episcopallans the nation over, will be broadcast for the first time this evening from 8 to 8:30.

It will be heard over the Mutual Broadcasting system. The first great play will be "Cyrano de Bergerac" with Walter Hampden who created the part in more than 1,000 stage performances, as star.

Desert Hot Springs Plans Catholic Church

Plans were being studied this week for the erection of a Catholic church in Desert Hot Springs. A lot for the erection of the church has been donated by L. W. Coffee, Desert Hot Springs subdivider.

Cash contributions for the erection of the church are now being accepted by Al Simone, sales manager at the Coffee tract office.

More Huntsmen But Less Game In Local Area

More than 1,000 hunters visited the San Jacinto and Santa Rosa area during the first ten days of the current season, U. S. forestry officials said this week.

They bagged 45 bucks, the largest, a five-pointer, weighing 155 pounds.

Most of the deer checked in at forestry service stations have been two and three pointers. Forestry officials believe the larger animals have taken refuge in the state game preserve.
